**2021-2022 CYCLE HOUSEHOLD INCOME AND SIZE INFORMATION**

Please review the following questions carefully to determine if any of them apply to you and answer the question below:

- You were born before January 1, 1999?
- Are you currently an active duty member or a veteran of the U.S. Armed Forces?
- As of today, are you married? (Also answer "Yes" if you are separated but not divorced.)?
- Do you have or will have children or dependents who will receive more than half of their support from you between July 1, 2022, and June 30, 2023?
- Does someone other than your parent or stepparent have legal guardianship of you, as determined by a court in your state of legal residence?
- At any time since you turned age 13, both your parents were deceased, you were in foster care, or you were a dependent or ward of the court?
- At any time on or after July 1, 2021, did your high school, an emergency shelter, a transitional housing program, or homeless youth center determine that you were an unaccompanied youth or were self-supporting and at risk of being homeless?
You currently do not live with your parent/stepparent and have not had contact nor financial support from them for the last 12 months or more?

FINANCIAL AID
2021-22 Financial Award Statement

The PSP stipend is funded by the National Cancer Institute (NCI), part of the National Institutes of Health (NIH), a federal agency. We are required by law to report all stipend payments you received through our program to the Financial Aid and Scholarships Office at SDSU and/or UCSD. These payments will be considered, along with any grants, loans, work-study and scholarships as part of your 2022-23 Financial Aid Award. Please note that our stipend may/may not decrease your financial aid award based on your unmet need. This is
a federally mandated policy that may/may not affect any student receiving federal or state funding.

Did you receive a Financial Aid Award for the 2021-22 year?

2021-22 FINANCIAL AWARD STATEMENT: Please upload a copy of your current year's Financial Award Statement. To access your 2021/22 Financial Award Statement, please visit your campus financial aid portal:

YES
NO

CURRENT/PREVIOUS RESEARCH EXPERIENCE
Please describe your current/previous research experience. If you've had more than one research experience/internship, please choose the one most important to you to describe below:

Faculty Mentor's Name

Institution and Department/Organization
PERSONAL STATEMENT

Limit 2 pages, single-spaced, 12pt Arial, 1-inch margins

Your personal statement should describe (a) your personal and family background, (b) your research interests and/or experiences, (c) future educational and professional goals, (d) how cancer-related and/or health disparity research fits into your career plans, and (e) how these make you a good fit for our program. Also, describe (f) your community involvement, extracurricular activities and/or memberships in student or professional organizations and (g) any honors/awards or scholarships received. Further, explain (h) how your selection as a Partnership Scholar will enhance the participation of underrepresented individuals (ethnic minority, disabled, first-generation college students, socio-economically challenged, LGBTQ). It is expected that Partnership Scholars will complete the BA/BS degree with a GPA of 3.0 or higher. If applicable, (i) also please explain any discrepancy between your grades in academic coursework and your potential.

Please submit your statement in PDF format only.
IMPACT OF THE COVID-19 PANDEMIC

Community disruptions such as COVID-19 and natural disasters can have deep and long-lasting impacts. If you need it, this space is yours to describe those impacts. The Partnership Scholars Program cares about the effects on your health and well-being, safety, financial and family circumstances, changes in future plans and education, including access to reliable technology and quiet study spaces. Please note: if you do not wish to respond to this question, please type "I do not wish to respond this question" or type "N/A."

REFERENCES

Arrange to have two professional references complete a REFERENCE FORM on your behalf (and list these below).

At least one of these references should be from a faculty member within your field of study OR an academic advisor from a program such as EOP, MESA, Compact Scholars, Weber Honors College, etc. who may know you well and can attest to your interest in cancer research. If you have participated in a research project, one of the letters would likely be from your research director/supervisor.
Teaching assistants or graduate/postdoctoral students will not count towards the faculty/academic advisor reference requirement.

**Recommendation submission** - All letters of recommendation must be submitted through the Partnership Scholars Confidential Reference Form (email your references the following link): [https://sdsu.co1.qualtrics.com/jfe/form/SV_8nN9GaYnJwhAQeO](https://sdsu.co1.qualtrics.com/jfe/form/SV_8nN9GaYnJwhAQeO)

**Required Information** - Please provide your references with the following information **(a)** your name (as it appears in this application), **(b)** undergraduate major/field of study, **(c)** email address (connected to this application)

**Confidentiality** - The recommendation will remain confidential during the selection process and follow the enrollment of the applicant in the Partnership Scholars Program. You may access their recommendation IF **(a)** you have been accepted and enrolled in the Partnership Scholars Program, and **(b)** did not waive your right to access their confidential reference form. Please let your references know if you have/haven't waived your right to access their confidential recommendation before its submission.

**Disclaimer:** It is your responsibility to contact your references and make sure they submit their letters of recommendation.
