We will be monitoring CB Channel 11 and 2-Meter Ham Radio frequency 147.15 MHz.

As in the past, this will be a dry camp, so bring everything you will need. Bring your Family and Friends - the more the merrier!! Please call Lyne Perry (ph/fax 619-445-3928) or Tony Sawyer (464-6242) for details.

In order to reduce costs, we will be purging our mailing list. If you want to remain on the list for 1997, contact Lyne Perry by March 30, 1996. SDAG members should continue to receive a flyer.
